

THE DAILY CLARION.

Tuesday : : : : December 25, 1866

A BEAUTIFUL THOUGHT.—Life is beautifully compared to a fountain fed by a thousand streams, that perishes if one is dried. It is a silver cord twisted with a thousand strings, that parts asunder if one be broken. Frail and thoughtless mortals are surrounded by innumerable dangers, which make it much more strange that they escape so long, than that they all perish suddenly at last. We are encompassed with accidents every day, to crush the moulding tenements that we inhabit. The seeds of disease are planted in our constitution by nature. The earth and the atmosphere, whence we draw the breath of life, is pregnant with death. Health is made to operate its own destruction! The food that nourishes contains the elements of decay; the soul that animates it by vivifying fire tends to wear it out by its own action; death lurks in ambush along our paths. Notwithstanding this is the truth so palpably confirmed by the daily examples before our eyes, how little do we lay it to heart! We see our friends and neighbors perishing among us, but how seldom does it occur to our thoughts that our knell shall, perhaps, give the next fruitless warning to the world!

GALLIGHAN'S PILLS!
FOR CHILLS AND FEVER.

A CERTAIN CURE! Galligan's Pills are
composed simply of Vegetable Medicines.
They are Cathartic Pills, acting upon the
Stomach, Liver and Bowels; containing no
Arsenic, Calomel, Blue Mass, or any other
Mineral substance. The great advantage the
proprietors claim for these Pills is, that with-
out the aid of Calomel, Blue Mass or other min-
erals, they will cure the most obstinate cases
of Chills and Fever, Dumb Ague, Periodical
Headache, Neuralgia, and all affections of a
like character. Follow the directions, and you
will find they will do all that is claimed for
them. Try one box, and their own merits
will recommend them ever afterwards.

We have used Galligan's Pills, and have
never known them to fail to cure when the di-
rections were followed, and unhesitatingly re-
commend them to public favor:
